

**New & Improved 2nd Generation - Newest Technology in Screening.**  
**SuperScreen™ is stronger, more durable, carcinogen free and better visibility.**  
**You may never have to re-screen again!**

#### **PET and PEST RESISTANT**

SuperScreen™ revolutionary extrusion process creates a tear resistant screen tough enough to withstand dogs, cats as well as other pests pushing against the screen. Its puncture resistance, long lasting durability and a tear strength 300% greater than that of fiberglass screen makes it the ideal choice for pet owners.

#### **CARCINOGEN FREE**

SuperScreen™ is carcinogen free and meets all "Greenguard Gold" safety standards.

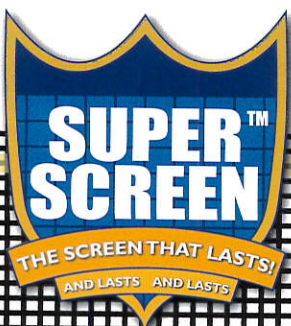

#### **TEN-YEAR LIMITED WARRANTY**

SuperScreen™ can support over 1300 lbs. without breaking and comes with an industry best 10 Year limited warranty.

- **GOLF BALL RESISTANT**
- **INSECT CONTROL**
- **CARCINOGEN FREE**
- **PROTECTS AGAINST UV DAMAGE, MILDEW AND MOLD**

#### **PROTECT FROM IMPOSTERS**

Look for the Gold Seal on your warranty card and the Gold Thread on your SuperScreen™ to ensure you are getting authentic SuperScreen™ built to last and last.

## **SUPERSCREEN™ MEETS ALL "GREENGUARD GOLD" SAFETY STANDARDS**

SuperScreen™ passes as lead free, phthalate free and meets all "Greenguard Gold" safety standards, ensuring our products are free from harmful volatile organic compounds (VOC's) and safe for you and your family.

## **PROTECTS AGAINST UV DAMAGE, MILDEW & MOLD**

SuperScreen™ is extremely tough and its long lasting extrusion process helps to protect against the sun's harmful ultraviolet rays so it retains its color and maintains that new screen look for years to come. SuperScreen™ PVC coating contains a biocide safe for you and your pets that resists and prevents mold and mildew buildup on your screens.

## **INSECT CONTROL**

SuperScreen™ is available in two excellent insect control sizes; Our 17/14 Mesh size is great for keeping out most pesky insects such as flies and mosquitos while our 17/20 mesh size is perfect for preventing even the tiniest of insects from entering your screen enclosure while maintaining excellent visibility and airflow.

## **GOLF BALL RESISTANT**

Tired of ripped and torn screens, yelling "fore", or you and your family dodging wayward golf balls? Then SuperScreen™ with its added weight and ball burst strength of 300% greater than fiberglass is what you are looking for.

### ***SuperScreen™* vs. Leading Fiberglass Screen**

| COMPARISON METHOD                | <b><i>SuperScreen™</i></b> | FIBERGLASS SCREEN |
